Finger Lakes Permaculture Tours & Regional Convergence

August 21 – 23, 2015

This weekend event showcases the beautiful Finger Lakes Region and the practice of permaculture in sites, systems, and people who farm, garden, and live there.

SCHEDULE OF EVENTS:

8/21 FLPCI Alumni Day and camping (at Cayuta Sun Farm)

8/22 Tours (at various sites) and evening reception (Good Life Farm)

8/23 Finger Lakes Permaculture Convergence (at CCE of Schuyler County)

Learn more and register a site: <http://fingerlakespermaculture.org/local-directory/>

Here are just a few of the amazing permaculture projects in the Finger Lakes!

Teaching Garden – CCE of Schuyler County – Montour Falls NY

Formed in 2010 from a Dept. of Health Grant to get people outside and eating healthier. We have grown our garden to include well over 60 varieties of fruiting plants in our garden including unusual plants like: Figs, Honeyberry, Hardy Kiwi and many others.

Montour Falls, NY – Roger Ort, rlo28@cornell.edu 607-535-7161 <http://cceschuyler.org/>

Cayuta Sun Farm – Cayutaville, NY

Cayuta Sun Farm is a small but growing woodland farm utilizing permaculture principles and strategies to grow delicious, nutrient dense, and sustainable foods. We currently offer pastured meats and log-grown shiitake mushrooms. The farm also hosts the Finger Lakes Permaculture Institute for workshops and events.

Michael Burns & Kelly Dietz - Michael@CayutaSunFarm.com - CayutaSunFarm.com

Lagom Landing – Dansville NY

This site has been implementing a permaculture plan designed by Rochester based Patty Love on our property for about 4 years. Our primary focus is running a residential program for emerging adults, ages 18-25. Our 60 acres of land provide a place of exploration and learning for ourselves and our students.

Laurel Nelson - lnelson18@stny.rr.com - 585-727-1687 - www.lagomlanding.com

Hawk Meadow Farm - Hector, NY

Woodland mushrooms, woodlot management including a black locust, medicinal and perennial herbs, and maple syrup. We are also the owners of Acorn Designs.

Steve Sierigk - steve@acorndesigns.org - 607 387 3424

Ithaca Children's Garden – Ithaca NY

Year-round, we offer camps, events, drop-in programs, school programs and workshops! In addition to our small staff, we employ teen apprentices (YHAP) and college interns. We also have a corps of dedicated volunteers, and many youth work in the garden. At ICG, we see about 18,000 visitors every year!

Erin Marteaal - erinmarteal@gmail.com - 607 227 2982 ithacachildrengarden.org

Twisted Tree Farm – Spencer NY

Permaculture nursery selling fruit and nut trees, berry bushes, and useful perennials.

akivasilver@yahoo.com - 607-589-7937 - www.twisted-tree.net

Have a site or project? Tell us! <http://fingerlakespermaculture.org/local-directory/>

The Permaculture Park – Ithaca, NY

The Permaculture Park is a city park in downtown Ithaca that is a demonstration site for permaculture techniques and familiar and unusual edible plants. Community volunteers, led by staff from CCE Tompkins, have been maintaining the Permaculture Park since 2013.

Chrys Gardener - cab69@cornell.edu - 607 272 2292
<https://permaculturepark.wordpress.com/>

Tompkins Time Trade – Tompkins County, NY

a not-for-profit community organization that provides a time exchange network of services and goods for all residents of Tompkins County, empowering individuals to utilize their skills and enhance their lives, neighborhood and community.

Margaret Soulstein - info@tompkinstimetraders.net - 607 319 4724
www.tompkinstimetraders.net

FLXpermaculture.Net

This website chronicles the discussions and announcements on a local permaculture email list. Subscribe to the website's email announcements or to the email listserv.

Michael Burns - michael@cayutasunfarm.com - <http://FLXpermaculture.Net>

Freeville Earthship/Tapped Earth Farm – Freeville NY

Off-grid farm, homestead, and teen education center utilizing rainwater collection and diversion, earth-bermed greenhouse, pastured poultry, vegetables, berries, tree fruits/nuts.

Chad DeVoe - chad.devoe@gmail.com - 607 280 7075
facebook.com/tappedearth freevilleearthship.blogspot.com

Wellspring Forest Farm – Mecklenburg, NY

a permaculture and agroforestry inspired farm and homestead producing mushrooms, maple syrup, duck eggs, pastured lamb, homestead produce, with rainwater catchment, swales, and educational programs for adults and children.

Steve & Elizabeth Gabriel – farmers@wellspringforestfarm.com
607 342 2825 – www.WellspringForestFarm.com

Edible Acres – Trumansburg, NY

A permaculture nursery and forest farm research space focused on low and no tech solutions. We offer an array of useful plants and provide consultation, design, management services.

Sean Dembrosky - seandembrosky@gmail.com - <http://www.edibleacres.org>

Macdaniels Nut Grove – Ithaca, NY

The MacDaniels Nut Grove is a forest farming and agroforestry research and education center located in the Cornell Plantations Upper Cascadilla Natural Area. The 5-acre site, just east of CU Orchards, was originally planted in the 1930s by pioneering horticulturist Dr. MacDaniels.

Steve Gabriel – sfg53@cornell.edu - <http://blogs.cornell.edu/mushrooms/nutgrove>

Good Life Farm and Finger Lakes Cider House – Interlaken, NY

a 69-acre farm growing Certified Organic fruit, vegetables, and pastured poultry. Our young farm pairs perennial vegetable production with organic orchard management, forage for beef, poultry and draft horses, season extension for vegetables and low-energy input systems.
